

EMERGENCY O₂ PROVIDER

LEARN TO ASSIST INJURED DIVERS

Every diver breathes easier knowing that they can recognize diving illnesses treatable with oxygen and are prepared to offer aid.

Learn about types of emergency O₂ equipment and safety considerations when using oxygen:

- Assembly and disassembly of emergency O₂ equipment.
- Deployment of a non-rebreather mask and a demand inhalator valve on a breathing diver.
- Using a pocket mask on a non-breathing diver.

Course Duration: 1 evening

Cost: Aquatic Adventures' Emergency O₂ Provider Specialty course is **\$150/person***.
