ADVANCED OPEN WATER DIVER

3-Stage Process:

THEORY & EQUIPMENT - PADI's eLearning Online program is designed so that you can learn the academics at your own pace when it is convenient for you.

SHORE DIVES - The first dives of your PADI Advanced Open Water Diver course will take place off the shore. Included in all AOW courses run by Aquatic Adventures is a short skill review session which will be part of the first dive. Your Underwater Navigation dive will be included in your Shore Dives.

BOAT DIVES - Your PADI Advanced Open Water Diver will also comprise Boat dives. These will include your Deep dive to 30m and at least one other dive to make the best of the conditions at the time.

Pre-requisites:

- Minimum age to take the PADI Advanced Open Water Diver course at Aquatic Adventures is 12years old.
- A PADI Open Water Diver certification (or equivalent) is required to enrol in this course.
- Review the PADI Medical Statement and if required, get a Diving Medical to ensure you are safe to dive.
- Hire of standard Scuba Equipment is not included in the cost of the course - if needed this will be an additional \$90/day. You must have your own personal snorkeling equipment: mask, snorkel, fins, boots, as these items are not included in gear rental on either course option.
- A cutting device, underwater torch and an SMB with reel are also required to complete the PADI Advanced Open Water Diver course with Aquatic Adventures (Purchase these items in-store when you book on to your course a receive a minimum 10% discount)
